### Riding is a lifetime sport!

Learning to ride promotes independence, responsibility, development of motor skills and empathy. And, it's fun!

**Beginners** - Riders begin with the instructor holding a lead line so they learn to walk, stop, and steer in confidence and under control. Our horses and ponies are safe, trained Schoolmasters, appropriately chosen for the student's level. Learn how to groom and get the pony ready, too.

**Experienced Riders** - Students who have ridden before come for an assessment lesson so we can see your skills and determine suitable mounts. We teach English riding and jumping for competition or pleasure. Special lessons for trail riders. If you have your own horse, trailer in for your lesson.

Riding lessons are available 6 days a week, Tuesday through Sunday, year round, rain or shine. Adults and children, all ages, all stages.

Cricket Hill offers Saddle Club during the school year and Camps in the summer, too.

Scholarships are available for Pine Plains students.

We're here to help you.
