### This is the Straight Story:

We all want to be safe, right?

- Safety comes from balance.
- When you are balanced, you stay on, horse doesn't trip!

To be balanced, both you and the horse need to be straight.

- When we train your horse, we make it straight.
- To *keep* your horse straight, you must be straight yourself.

Lunge lessons are a great way for you to work on your own straightness. Good for dressage, jumping, pleasure riding.

It's fun! You'll be glad you did!

**Now that's *really* the  
Straight Story!**
